### **♦ Minimum Export Price Policy by Government of India.**

Government of India have adopted minimum export price policy on exports of fresh onion from India at 700 U.S.D / P.M.T Which is creating hindrance in business of fresh onion. From Several source from Industry and various other factors we predict and expect that government may reduce form 700 U.S.D to around 450-500 U.S.D.

Towards which we are closely monitoring government steps towards Export price policy and would keep you updated.

### **♦ Prices and Quality.**

Considering quality of onions with size (+ 50mm), Mahuva APMC is showing good quality of onion, and price for the same resulting around 430-450 U.S.D / P.M.T, CIF MEP. Which is expected to remain same for the moth with fluctuation of Maximum (-/+ 50 U.S.D / P.M.T)

Considering quality of onions with size (+55mm), Mahuva, Bhavnagar or Gondal. Neither of them are displaying as expected quality as comparable to smaller size, we predict the good quality with this size are been expected to arrive in 2<sup>nd</sup> week of this month, i.e. around 10<sup>th</sup> of February.

Considering quality of onions with size (+60mm), this size of onion are been expected from our side to arrive around beginning of March/February ending.
